

MAZDA BT-50

THE ACTIVE LIFESTYLE VEHICLE

Reborn and rebuilt from the ground up, the All-New Mazda BT-50 is here. A whole new level of versatility and performance has been achieved through a relentless pursuit of challenging what is possible. Innovation greets you at every turn with more features at your disposal than ever before. Bold, balanced, stylish and capable, the Mazda BT-50 truly is the complete package.

Dominating front grille design.

Sculpted side panels with boldly flaring fenders.

A BOLDER LEVEL OF DESIGN

The exterior design of the All-New Mazda BT-50 is the first true expression of Mazda's Kodo Design language on a pick-up truck. The confident, planted stance projects strength, capability and uncompromising quality. The new two-tone alloy wheel design gives BT-50 a unique and striking look. LED headlamps punctuate the front grille while sculpted side panels draw the eye to the bold rear presence.

9" infotainment touchscreen display with Apple CarPlay® and Android Auto™.

4.2" TFT-LCD colour display instrument cluster.

Second row air-conditioning vents and USB charging port for maximum comfort and convenience.

Bottle holders on the door panels are increased in size to accommodate large bottles.

The 8-speaker sound system delivers all your music with overwhelming power and clarity.

ON THE ROAD COMFORTS

Step inside the comfortable, spacious and durable cabin and you will find yourself immersed in the highest quality of Mazda's design. A high-resolution touch control display mounted at the centre of the dashboard gives you easy, intuitive control of the audio system as well as the extensive connectivity functions. Thoughtfully placed storage spaces including a second glove compartment lets you keep everything neat yet close to hand.

ENGINEERED TO EXHILARATE

Combining the latest technology, powerful performance and off-road capability, the All-New Mazda BT-50 delivers unparalleled versatility and dependability. Go anywhere to enjoy your freedom on your terms.

THE POWER TO PERFORM

Mazda BT-50 offers you the choice of two powerful, responsive and fuel-efficient diesel engines to perfectly match your individual needs wherever life or work takes you.

On-road or off, both powerplants: 3.0L turbocharged and 1.9L turbocharged – deliver the quiet, effortless performance that lets you confidently enjoy their unmatched versatility and dependability.

A 6-speed automatic that contributes to BT-50's excellent response and fuel economy. The rear differential lock instantaneously maximizes driveability over rough terrain.

3.0L in-line 4 cylinder 16 valve
DOHC intercooled turbo diesel

1.9L in-line 4 cylinder 16 valve
DOHC intercooled turbo diesel

UNCOMPROMISING SAFETY

At Mazda, driving pleasure means more than just outstanding performance and handling. Because to us, feeling secure and well-protected is another essential component of enjoyable driving. And that is why Mazda BT-50 is equipped with the same leading-edge safety features demanded in passenger cars.

ADVANCED SAFETY TECHNOLOGIES[^]

Automatic High Beam (AHB)

Automatically prevents high beam from dazzling other drivers on the road.

Forward Collision Warning (FCW)

Detects a potential collision in front of the vehicle and alerts the driver.

Auto Emergency Braking (AEB)

AEB continuously monitors traffic conditions ahead for possible hazard. When the system judges a collision is unavoidable, it automatically applies emergency braking to avoid or reduce the severity of a collision.

Lane Departure Warning System (LDWS)

Monitors road markings and alerts you if you are straying from your lane.

Adaptive Cruise Control (ACC)

Detects the vehicle in front and adjusts your cruise control speed to maintain a safe distance.

[^] Available on selected models only. These systems are not a replacement for safe and attentive driving. Please drive carefully at all times and do not rely on technology to prevent an accident.
